

Sports Plex Leagues Co-Ed Soccer Rules

Rules Apply for all Adult/Youth Leagues

It is the team managers/coaches responsibility to be aware of the guidelines, policies, and rules of Paducah Regional Sports Plex.

***Any rule can be changed or altered at the discretion of the referee/management.**

COED MACHO RULE: The intent of this rules is to protect female players from uncontrolled and unreasonable aggressive play by the male players. If the referee feels that a male player, in the reasonable belief of a female player, intimidates or threatens a female player, on his team or the opposing team, through aggressive fouls or forceful play, a foul may be called and a direct free kick awarded. This includes: High/Hard Kicks and Physical or Verbal Intimidation.

Referees will enforce the following additional playing rules for ONLY COED Leagues:

- ✓ All goals count as one point
- ✓ Teams must have 3 female players on the field at all times (not including the Goalkeeper). If a team does not meet this requirement and only has 1 or 2 girls present, the team can play down a player until another girl shows for the game.
